resumed the work of canvassing the vote of New York county. The Eleventh assembly district was completed without any material change from the original count. In one of the election districts in the Sixteenth assembly district a slight error was discovered and the vote of the district was referred to the committee on corrected returns. Otherwise there was no material change in the count of the Sixteenth district, which was completed at 10:55.

The 17th assembly district was completed at 11:35 a. m. The count of the first district of the eighteenth assembly district was objected to on the ground that the total number of votes as read was shown to be 108, whereas it was claimed that 226 votes were really cast in the district and that the republican electoral ticket received 81 votes instead of 34 as recorded. The vote of the first district was therefore referred to the committee on corrected returns.

The twenty-first election district of the 18th assembly district has been reached without the discovery of other errors. The canvass of the Eighteenth assembly district was finished at noon. No other errors were found than the one in the first election district. The Ninth assembly district was completed without incident. It was resolved to report the committee on corrected returns to give preference to the electoral ticket. The canvass returns for the Thirtieth assembly district was completed at 12:20 without objection being made.

In the twenty-first assembly district no objection nor change were made. Five defective ballots and four blank tickets were found.

The board of canvassers' vote on presidential electors in the first assembly district, composed of Messrs. Thorne, Bridges, and Bridges, gave Cleveland, 1,147; Bridges, 2,775; Cleveland, 4,022; Bridges, 26, and St. John, 12.

New York, Nov. 13, 4 p. m.—The official canvass is now completed with the exception of the Seventh, Ninth and Thirtieth districts, which are in the hands of the committee on corrected returns. There is no prospect of these being completed before 10 o'clock to-night.

CLEVELAND A PLURALITY OF 1,147.

New York, Nov. 13.—2 p. m.—A hasty compilation by the clerk in charge of the city returns, of which the canvass has just been completed, leads him to state that the plurality for Cleveland in the entire state will be 1,147. # ATHLOPHOROS

ATHLOPHOROS is a word used to most people who speak the English language. The Greeks used it centuries ago, meaning by it **THE PRIZE-BEATER!** ATHLOPHOROS is the first and only medicine which has carried off the prize as the perfect remedy for Rheumatism and Neuralgia. Like two relentless tyrants they have for ages held their suffering victims in an iron grip. These poor sufferers have been slaves in the power of their oppressors. ATHLOPHOROS has entered the arena; engaged in conflict with the monsters, and won the victory. As the competitors in the Olympic games of old could win only by the most severe trials of ability and endurance, so ATHLOPHOROS has won the prize, not alone by giving temporary relief, but by bringing an enduring cure as well to those who have suffered the excruciating agonies of Rheumatism and Neuralgia. ATHLOPHOROS is a novelty, not only in name, but in its elements. It is unlike any preparation yet introduced. ATHLOPHOROS is put up with consummate skill, and contains nothing that can possibly harm the most delicate constitution. ATHLOPHOROS acts on the blood, muscles, joints, and removing the poison and adding to the blood, carries them out of the system. Now, do you want to suffer on and on? or do you want to be well?

**ATHLOPHOROS WILL CURE YOU**

If you cannot get ATHLOPHOROS of your druggist, we will send it express paid, on receipt of regular price—one dollar per bottle. We prefer that you buy it from your druggist, but if he hesitates, do not be persuaded to try something else, but order at once from us as directed.

# ACHES! PAINS!

"I ache all over!" What a common expression; and how much it means to many a poor sufferer! These aches have a cause, and more frequently than is generally suspected, the cause is the Liver or Kidneys. No disease is more painful or serious than these, and no remedy is so prompt and effective as

# MISHLER'S HERB BITTERS.

No remedy has yet been discovered that is so effective in all KIDNEY AND LIVER COMPLAINTS, MALARIA, DYSPEPSIA, etc., and yet it is simple and harmless. Science and medical skill have combined with wonderful success those herbs which nature has provided for the cure of disease. It strengthens and invigorates the whole system.

Sam. Theodore Berne, the distinguished Congressman, once wrote to a fellow member who was suffering from indigestion and kidney disease: "Try Mischler's Herb Bitters. I believe it will cure you. I have used it for both indigestion and kidney disease, and it is the most wonderful combination of medicinal herbs I ever saw."

OFFICIAL PAPER COUNTY AND CITY.

"FOT WOULD YOU TAKE?"

BY S. B. McMANUS.

[S. B. McManus, the author of this poem, will be well remembered here, having been engaged in newspaper work for some time and having long resided here.—ED. SENTINEL.]

She was ready for bed and lay on my arm,  
In her golden hair falling out at the edge,  
Like a circle of moon sunshine,  
And I hummed the old tune of "Banbury Cross."

"And 'Tis the Men who put out to Sea,"  
When she sleepily said as she closed her true eyes:

"Papa, for would you take for me?"  
And I answered, "A dollar, dear little heart,"  
And she slept, baby weary with play;  
But I held her warm in my love-strong arms  
And rocked her and rocked away.

O, the dollar meant all the world to me,  
The land and the sea and sky,  
The lowest depth of the lowest place.  
The highest of all that's high.

The cities with streets and palaces,  
Their pictures and stores of art,  
I would not take for one low, soft thrub  
Of my little one's loving heart.

Not all the gold that was ever found  
In the busy, wealth-finding past,  
Would I take for one smile of my darling's face,  
Did I know it must be the last.

So I rocked my baby and rocked away,  
And I felt such a sweet content,  
For the word of the song expressed to me  
The word of the love I had found.

Then they ever before had meant,  
The night crept on and I slept and dreamed  
Of things far too glad to be;  
And I wakened with lips saying close to my ear:

"Papa, for would you take for me?"

**WILL CLEVELAND MARRY?**

The Ladies of the White House Under the New Administration.

At Albany now that it is regarded as settled that Governor Cleveland is the next president, already the gossips are busy with conjectures as to who will be the lady of the White House. There is a well-defined belief among his friends that there is a young lady in western New York who will soon be led to the altar by the President-elect. Others who know him long and well say that he will never marry and that this talk simply comes of the fact that he has shown this young woman some slight attention since he was elected governor. Early in life his hopes and ambitions for a wife were crushed by the hand of death, and his affections for the lost one has kept him treading the wine-press of life alone. If the reports that he is to marry are not true then his own immediate family will furnish the lady to do the social honors of his administration.

It is generally believed by those who know him best that there will be less festivities during his term of office than there have been for many years past. He has been a hard-working governor and will probably continue his industrious habits as president. Bachelor as he is, the white house will, however, have a most creditable mistress. There are four ladies in his immediate family, either of whom can well do the honors of the household. His eldest sister in this country, Mrs. W. E. Hoyt, of Fayetteville, would fill any position with credit. She is a middle-aged lady of pleasing address, who has spent a good deal of time at the executive mansion here since her brother has been governor. She has made many friends here in the capital of the state and will doubtless do the same in Washington, where she will probably go the 4th of next March. Miss B. E. Cleveland is the maiden sister. She still resides in the little home cottage at Holland Patent, just above Utica. A good public speaker, a quick conversationalist, and generally a plain woman of intellectual force, she would do her share in entertaining her brother's guests at the national capital. Mr. Cleveland has a sister who for twenty years has been a missionary at Ceylon. She has two charming young lady daughters, Mary and Carrie Hastings, whom the governor has been for years educating in this country. He has given them every advantage and they have improved them. They will no doubt be a part of their uncle's family circle at Washington as they have been at times here.

With Mrs. Hoyt or any one of three others spoken of, the social end of the first democratic administration for a quarter of a century will be well sustained, even should the president-elect continue a bachelor.

**THE COMING LEGISLATURE.**  
The Indianapolis News in its political gossip says: "The next legislature will have a democratic majority of forty on joint ballot. Although a number of important measures will come before the body, it is believed it can complete its work within forty days. Terre Haute and Fort Wayne will probably seek to have the metropolitan police law amended so as to include cities of 20,000 inhabitants, as they are desirous of reorganizing their police forces under the metropolitan system. No opposition to the part of the democrats to this movement is anticipated. The state will probably

be redistricted for congressional and legislative purposes. One of the most important matters requiring the action of the assembly will be in reference to the completion of the three new insane asylums, upon which the sum of \$180,000 has already been expended. It is thought that it may become necessary to order a special tax levy for the purpose of raising funds to carry on the work."

A politician in position to talk remarks to a News reporter, "If any of the party are trying to make a breach between Mr. Hendricks and McDonald, it is ill advised and futile. I know that a perfect understanding has been brought about between these gentlemen, and that on Thursday evening following the election, Mr. Hendricks called upon Mr. McDonald, at his residence, and the two were closeted together for several hours."

"Is Mr. McDonald an aspirant for cabinet honors?" asked the reporter.

"In a sense, no; at least he has been heard to say that the attorney-generalship would be the only inducement that could tempt him away from his law practice. I believe he wants it, and if Indiana is recognized in the new cabinet, Mr. McDonald will be the attorney general."

**A DIFFERENCE.**  
No republican in the history of La-grange county ever polled such a heavy vote as Theron P. Keator did a week ago.—Fort Wayne Gazette.

Mr. Keator made a gallant contest, but his vote was not so exceptional as the Gazette is informed. Mr. Keator received 2,287 votes. In 1880 Judge Taylor, for the same office, received 2,310, and the vote for Garfield was 2,367.—Lagrange Standard.

**THE TOTAL VOTE.**  
The total vote of Indiana on state officers was:

**AN AFFLICTED FEMALE.**  
Mrs. Joanna Granay Sues Thomas Aherm for \$1,000.—The Woman's Grievances Aired.

This morning A. H. Bittenger began suit for Mrs. Joanna Granay to recover \$1,000 from Thomas Aherm, whom she alleges grossly maltreated her. First Mr. Aherm is accused of striking and rudely pushing Mrs. Granay aside. On another occasion he stepped on the lady's dignity and finally entered the Granay residence, at 52 Williams street, and proceeded to mob the entire family. Mrs. Granay was badly bruised about the body and had her right shoulder dislocated by the robust Mr. Aherm. For these indignities and injuries Mrs. Granay wants \$1,000 and so asks the court to grant judgement against Mr. Aherm.

**100 Doses One Dollar.**  
is inseparably connected with Hood's Sarsaparilla, and is true of no other medicine. It is an unanswerable argument as to strength and economy, while thousands testify to its superior blood-purifying and strengthening qualities. A bottle of Hood's Sarsaparilla contains 100 doses and will last a month, while others will average to last not over a week. Hence, for economy, buy Hood's Sarsaparilla.

George Wagner and a couple of other lads were tried before Justice Ryan today for stoning an old peddler named Levi.

"Doctor, what is the matter with me?" is a question frequently asked by a patient, while, perhaps, not sick enough to be in bed, feels himself unable to attend to his usual avocations. There is a falling or general breaking down of the system, but no symptoms sufficiently marked to be classed as a disease, yet particularly trying to the sufferer. Mischler's Herb Bitters is the best remedy for these needless disorders. Try it and be convinced.

## SHERIFF NELSON.

The Clerer Little Gentleman Steps Into His Office this Afternoon.—Ex-Sheriff Schiefer's Plans.

Although Sheriff Nelson could have taken his office two days ago, he preferred to let Sheriff Schiefer finish the week and consequently at 4 o'clock this afternoon he stepped into the official robes and was handed the keys of the county jail by his predecessor. Mr. Nelson was surrounded by a host of friends who warmly congratulated him on his ascendency. Mr. Nelson's family moved into the jail residence this afternoon and next week they will be at home to their friends. Mr. Nelson has named as his deputies Platt J. Wise, John Hance, Ed. Clausmeyer, Wm. Schroeder, Wm. Fehling and Charles Updegraff.

Ex-Sheriff Schiefer will devote some time to settling up the affairs of office and the collection of several thousand dollars outstanding. Mr. Schiefer will not enter his father's boot and shoe store but in the spring will go into business for himself.

Last night occurred the barrow ride of Christ Horstman, a democrat, being hauled by Christ Menze, a republican, on a local victory won by the backman. A great crowd gathered in front of Rudy O. Reinwald's cigar store, where the procession formed, headed by Harry T. France and Fred Schwartz. Lot A. Logan carried a banner inscribed "Cleveland to the White House." The central drum corps headed the vehicle containing "Little Christ," who waved a flag in honor of his victory. Christ Menze made the trip from the cigar store to and around the court house block and back, a distance of twelve squares, in twenty-five minutes, being a good record. The barrow was gaily decorated and witnessed by large crowds of people all along the line. To-day the drum corps and wheel barrow outfit was photographed by A. Tomlinson, esq., and the pictures will be on exhibition at Rudy's cigar store and the photograph gallery.

A few evenings ago Wabash caboose number 358 caught fire in the yards at Andrews and was partially consumed. J. T. France's term of four years as prosecuting attorney for the district composed of the counties of Jay, Wells and Adams expired last Tuesday. M. B. Leavitt's all star specialty company appeared at the Academy last night to a fair audience. Leavitt has a few very good people in his party and one or two he might successfully dispense with. These specialties of Andy and Annie Hughes are clever. Frank Bush is very good but he overdoes his business. The musical specialties were features and the show pleased exceedingly.

There will be a spirited contest for the speakership of the next legislature. The trustees of the portions of the Indianapolis, Peru and Chicago road lying between Peru and Michigan City have taken steps to throw the road into the hands of a receiver. Two companies are interested in this eighty-six miles of road and the trustees take this step at the request of the bondholders. A Skermish among the Doctors. When typhoid fever broke out at Port Jervis, some doctors quarreled about how to cure it. Each said his way was the best and others said all the others were entirely wrong and knew nothing about how to cure it. A little knowledge of medicine is a dangerous thing, but a very valuable item of medical knowledge is, that Brown's Iron Bitters builds up wasted systems, and by enriching enfeebled blood gives health and strength. Dr. W. J. Newhill of Carter's Creek, Va., says: "Brown's Iron Bitters is one of the best tonics I ever prescribed."
